

# DROWN ME (COME LIKE A FLOOD)

Missy Monk

## VERSE 1

Em                    G  
Take me deeper than ever before  
Em                    G  
Past the outer courts and away from the noise  
Em                    G                    Em                    D  
I wanna know You for who You really are, my God, my God

## VERSE 2

Em                    G  
Take me further than my eyes have ever seen  
Em                    G  
Into Your kingdom with all Your mysteries  
Em                    G                    Em                    D  
I wanna see You for who You really are, my God, my God

## PRE CHORUS

C                                    D    C                                    D  
Streams from heaven flowing down, I can't resist the sound, the sound of Your voice  
C                                    D    C                                    D  
Heavens glory raining down, flowing from the crown, the crown of our God

## CHORUS

Em            C                    G                                    D  
Overflow, come like a flood, drench me in Your rain, in Your love  
Em            C                    G                                    D  
Overflow, come like a flood, consume me and drown me  
                  Em C G D  
In Your flood (in Your love)

## VERSE 3

Em                    G  
Take me into that holy place  
Em                    G  
Where I can see You face to face  
Em                    G                    Em                    D  
To taste and see You for who You really are, my God, my God

## BRIDGE

Em                    C  
You reign (rain), You reign (rain)  
D  
Your kingdom rains (reigns) here
