

# IN YOUR HANDS

Loren Cleveland

## VERSE 1:

G C  
Sometimes the answers in life just seem so hard to find  
Em D C  
But if I could go back, could I change your mind?  
G C  
Cause' You give and You take and You've, broken this heart of mine  
Em D C  
But how many breaks will it take before I'm out of time?

## CHORUS:

G D Em C  
So I'll give to You, when there's nothing else I can do  
G D C  
I know You hold my life, it's in Your hands

## VERSE 2:

G C  
Sometimes nothing in life comes easy at all  
Em D C  
Tripping and stumbling, how many times will I fall?  
Em D C  
And if failure comes easy, it doesn't make life easy at all

## BRIDGE:

Em D  
Sometimes I wish You would show me  
G C  
Just what You have in Your plans  
Em D  
But even still I'll keep holding on  
G C  
To Your promise that You'll take my hand

## LAST CHORUS:

G D Em C  
As I give to you, cause' there's nothing else I can do  
G D C  
I know You hold this whole world in the palm of Your hand
