

NEVER GOING BACK (THE GLORY CLOUD)

Kim Wilcox

VERSE 1:

D C/D
I'll follow the glory cloud wherever You may lead me
G Em A
I'll not walk in my own way; or in the wisdom of the crowd
D C/D
And I'll follow the fire as you lead me through the night
G Em A
With the brilliance of Your passion, and with Your words of light

CHORUS:

Am G2 F Em
I'm never going back, never turning back no, no, I've been to the river and tasted Your glory
Am G2 F Em
I'm never going back, never turning back no, no, I've been to the river and tasted Your glory

(2nd time instrumental D Dsus/E F G)

VERSE 2: (same chords as verse one)

So I'll follow You, my Lord, my Love, wherever You may lead me
'Cause I want Your way more than I want life
I'm looking forward to the day that You receive me
Into Your everlasting arms and we become Your wife (to chorus)

I have married Your will, I will follow You still when the sun has ceased to shine
