Even through the darkest of times,  
  
Through the thick and the thin,

When all else fades away and  
  
Your love and strength remains,  
**A**  
We will look to You and say

Open up our eyes to Your spirit  
**A**  
Circumcise our hearts with Your love  
**B** **C#m**  
Uncover our ears to hear, to hear Your voice

Renew our mind, restore our soul

Pour out Your spirit on us, we pray

Make us new, revive us again
