

# WE LIFT YOU UP

Missy Monk

## VERSE 1

Em                    C                    G    D  
We're on our knees, Father help us see You now  
Em                    C                    G    D  
It's hard to breathe, when Your spirit's all around  
Em                    C  
I feel Your glory shining down upon me  
G                    D  
Your voice is calling me out  
Em                    C  
The world is falling, hopeless and drowning  
G                    D  
Oh God, help us to reach out

## CHORUS

Em    C    G    D  
We lift You up, ohh, amen, amen  
Em            C            G    D  
We bow down to You at Your throne  
Em    C            G    D  
We lift Your name higher in praise  
Em    C            G    D  
We raise our hands to You, oh Lord

## VERSE 2

Em                    C                    G    D  
Show us now, the power of Your mighty cross  
Em                    C                    G    D  
We say a prayer to the world around us in the dust  
Em                    C                    G            D  
I feel Your presence surrounding me with every drop of life  
Em                    C                    G            D  
The people singing songs with every ounce of their love

## BRIDGE

Em    C            G            D  
We lift You up, we lift You up, we lift You higher  
Em    C            G    D  
We lift You up, we lift You higher
